# 360 Pro DIY

## 360 Pro DIY

### Self-Service Real Estate Marketing

The 360 Pro DIY system offers the most advanced self-service real estate marketing available. For only \$29.95 you can load all your digital pictures, videos, and any virtual tours you create to an all inclusive listing website. Post to Realtor.com, your local MLS, and we feed your listing to hundreds of sites including Trulia, Zillow, Google, Yahoo and

many more.

**FREE**

**6 Months For  
First Listing**

No Charge — EVER!!

### Self-Contained Listing Websites

The 360 Pro DIY system is the latest in self service convenience for real estate agents. Using our system, you can create a self-contained website specifically for marketing your listings. This system utilizes the latest advances in technology to support a wide array of information and media ranging from entry level to full professional quality including:

- 100% Mobile Web Enabled...
- High-Definition, Full Screen For All Media...
- Data Feed/Posting To Hundreds Of Search Sites...
- Realtor.com And Local MLS Support...
- Listing Blog For Each Listing...
- Movie Tour Streaming to Smart Phones...
- FREE Craigslist Ad Generator...

- High-Definition, Full Screen Photo Gallery...
- High-Definition, Full Screen Virtual Tours...
- DVD-Quality, Full Screen Movie Tours...
- Most Advanced Mapping Available...
- Domain Name And Sign Rider Add-Ons...
- Full MLS-Style Listing Data...
- Automatic Templated Brochures...
- Automatic Website Viewing Statistics...
- [and Much, Much More...](#)
- [View Feature Comparisons To Other Sites...](#)

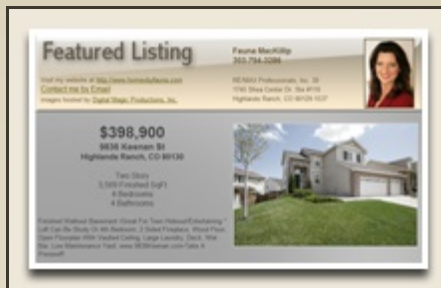

### 100% Mobile-Web Enabled

360 Pro DIY self-contained listing websites are 100% mobile web enabled, meaning a buyer using their cell-phone can view your photos and listing data. Combined with a domain name and sign, that gives drive-by customers a full presentation of your listing beyond what a standard brochure can offer. iPhones and BlackBerries can also view your

movie tours.

### High-Definition Full-Screen

All your media is displayed in high-definition, full-screen capable viewers. We support media (photos, videos, virtual tours) ranging from cell-phone images and videos to the highest quality professional productions. Upload your pictures, videos, or virtual tours and we size them to display in a high-definition, full-screen presentation for maximum quality.

### FREE Craigslist Ad Generator

You have your listing posted to Realtor.com and MLS – we will feed your listing to the major third party search engines – now post your listing to Craigslist and maximize your exposure. Our ad generator includes multiple background color options, multiple high-quality images, and full listing data. Just copy the generated code to your

Craigslist ad.
